Lao PDR Country Programme Evaluation (2017-2020)	2021	Lao CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2020	1/1/15	5/30/16	1. Balance upstream policy work with action on the ground	1. In future, and as appropriate, ensure a balanced engagement of central-level and sub-national level authorities in implementing UNFPA pilots and activities to ensure quality and sustainable outcomes, and at the same time contribute to the Lao decentralisation agenda under the five-year plan to improve service delivery	Accepted	Lao CO	High	1.1 Noi framework included in the provincial plans; 1.2 Integrated the National Action Plans on Gender Equality and GBV for 2021-2025 into sectoral plans and provincial plans.	1.1 Continue advocating on the inclusion, implementation and monitoring of the Noi Framework and Noi Ecosystem in the Vice Governors' plans and continue support NNGG programme implementation in target districts and possibly scale up to other provinces. 1.2 Continue mobilizing resources to implement policies and programmes at province level (through provincial departments from line ministries) 1.3 Support the integration of the National Action Plans on GE and GBV into sectoral and provincial plans; 1.4 Mobilize more resources to support the implementation of the national action plans on GE and GBV as well as the implementation of sectoral and provincial plans	12/31/22	YES
Lao PDR Country Programme Evaluation (2017-2020)	2021	Lao CO	Country Programme Evaluation (CPE)	ap	Evaluation Coverage Time Period	2017-2020	1/1/15	5/30/16	2. Programme focus on the transformative results	2. As part of the next CPD's strategic direction and UNFPA's strategic visibility, prioritise, in the national context, UNFPA's support for achieving at least one of UNFPA's transformative results in order to be able to make a clear and credible commitment to scale up and accelerate progress towards zero by 2030.	Accepted	Lao CO	High	2.1 CPD design focuses on the 3 transformative results	2.1 The CPD 2022-2026 ToC and RRF will contribute the 3 transformative results; 2.2 Include as center of the ISPRMP the transformative results; 2.3 Continue supporting the GoL in costing exercises of SRH essential services; 2.4 Continue leading the gender equality and GBV work	12/31/25	YES
Lao PDR Country Programme Evaluation (2017-2020)	2021	Lao CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2020	1/1/15	5/30/16	3. UNFPA mandate included in the UNSDCF	3. Engage at senior level in formulating the next UNPF in order to ensure that UNFPA's mandate and interests, and particularly its transformative results, are well captured.	Accepted	Lao CO	High	3.1 Senior level engagement in the UNSDCF formulation	3.1 Management delegated a resource person to participate proactively in the UNSDCF formulation at technical level; 3.2 Deputy Representative will be part of the task team in charge of the UNSDCF formulation; 3.3 Representative will continue advocating in the UNCT for including the transformative results in the results framework; 3.4 UNFPA will continue collaborate with UN agencies; and foster joint efforts and where feasible programmes to prevent and respond to GBV and provide SRH information and services to women and girls in the communities impacted by COVID-19.	12/31/22	YES
Lao PDR Country Programme Evaluation (2017-2020)	2021	Lao CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2020	1/1/15	5/30/16	4. WFS strengthened	4. Urgently review and strengthen Women-Friendly Spaces in Sanamxay district of Attapeu province based on global standards and good practices, including their integration in formal protection and SRH/GBV referral mechanisms	Partially accepted	Lao CO	High	4.1 consultation and assessment process to improve the WFS	4.1 Organize a virtual consultative meeting to review the implementation of WFS and identify ways forward to improve the services; 4.2 Conduct a capacity assessment of volunteers and services; 4.3 Continue the awareness raising on GBV prevention and response internally within UNCT and with MOLSW for systematising women and girls focused response from a systems perspective as well as delivery.	12/31/22	YES

Lao PDR Country Programme Evaluation (2017-2020)	2021	Lao CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2020	1/1/15	5/30/16	5. UNFPA convening role on data and statistics	5. Continue to invest in the country office's technical and convening role as a competent and purposeful data and research agency for evidence-based priority-setting and development interventions.	Accepted	Lao CO	High	5.1 Inclusion of a data output in the new CPD and UNSDCF	5.1 Include in the CP7 ToC and RRF the CO technical support on data, for the CRVS, the LSJS III and the PHC 2025; 5.2 Mention explicitly data as part of the UNSDCF joint outputs under the Governance outcome; 5.3 Continue being the convening UN agency on the 5th census 2025 process ; 5.4 Recruit NOB P & D and AR , failing identification of suitable national candidates, find alternate HR options to bring in the necessar expertise in the country. 5.5 Continue and work with DPs; WHO and MOH to integrate A&Y data in the MOH system(HMIS) including contraceptive use among unmarried A&Y and youth friendly services and psychosocial support(MHSS).	12/31/23	YES
Lao PDR Country Programme Evaluation (2017-2020)	2021	Lao CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2020	1/1/15	5/30/16	6. Accelerate implementation of developed initiatives and limit new activities	6. To help speed up the implementation of national policies, concentrate on rolling out in an equitable manner new standards, guidelines, curricula and training packages developed under CP6, including by engaging a network of diverse partners. Limit new SRH and A&Y activities during the next country programme cycle.	Partially accepted	Lao CO	High	6.1 Continuation of actions and strategies developed in CP6 and incorporation of new initiatives	6.1 Incorporate in the new CPD the initiatives developed as part of the Noi ecosystem to respond to the Noi framework during CP6; 6.2 Partnership Framework will continue prioritizing areas/interventions/building blocks identified during CP6; 6.3 Due to the "new normal" and emerging priorities, innovative initiatives as telehealth and MHPSS will be included as part of the new CPD. 6.4 Continue developing of programme proposals/building block to traditional and new donors based in country and global initiatives.	12/31/25	YES
Lao PDR Country Programme Evaluation (2017-2020)	2021	Lao CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2020	1/1/15	5/30/16	7. LNOB focus	7. Make additional efforts to reach groups who are vulnerable because of their geographic location and cultural and linguistic barriers. Consider in CP7 a new focus on women and adolescents living with disabilities, and ensure disaggregated CPD indicators, targets and annual milestones to track progress on LNOB.	Accepted	Lao CO	High	7.1 Inclusion of interventions that focus on vulnerable groups, including ethnic groups, people with disabilities, among others	7.1 Include in the CPD design process data analysis of vulnerable groups and the identification of specific interventions in the ToC and strategies as per funds available and to be raised; 7.2 Continue working with other UN agencies on vulnerability analysis ; 7.3 Formulate annual milestones that capture work and results under CP7 for the benefit of the most vulnerable and marginalized people ; 7.4 Continue working in the preparation of a building block on SRH and GBV for people with disabilities 7.5 Continue reaching vulnerable population and people left behind through partnership initiatives (brain power and alliances) with INGOs and CSOs. 7.6 Continue collaborating and provide technical support to the government to conduct national survey (MICS/DHS) and census to produce disaggregated data including data of SGD 5.6.1 and disability.	12/31/25	YES
Lao PDR Country Programme Evaluation (2017-2020)	2021	Lao CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2020	1/1/15	5/30/16	8. Nang Noi girls groups (NNGG) exit plan	8. Continue to refine the NNGG model, formulate a roll-out and sustainability strategy, and plan UNFPA's exit by the end of CP7 in 2026.	Partially accepted	Lao CO	High	8.1 NNGG continuation	8.1 As requested by provincial authorities, continue expanding the NNGG in most of the districts of the prioritized provinces; 8.2 consolidate the NNGG as a strategic intervention to reduce school drop-out; 8.3 Formulate a sustainability strategy for the NNGGs by the end of CP7 in 2026. 8.4 Review and improve M&E system to track the progress of NNGG programmes and evaluation of NNGG is scheduled in 2023.	12/31/25	YES
