Thailand Country Programme Evaluation (2017-2021)	2020	Thailand CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2021	1/1/15	5/30/16	1. UNFPA strategic position and role (linked to Conclusion #: 1,2,4,6,7,8.)	1. Continue Advocacy & Coordination Role and maintain Strategic Partnership. Pitched at upstream level, UNPFA has focused on policy, advocacy, technical support and regional cooperation with interventions at downstream level as pilots to ensure that policies are translated to action at local level for replication and scale up. Continue joint programming with UN Agencies, for resource maximization, ownership, enhanced "one voice" and sustainability.	Accepted	High	1.1 Linkage of UNFPA strategies with Thailand	Include the recommendations from APRO on strategies; and include strategic collaboration with key partners to support UNFPA's position in Thailand in the new country programme.	12/31/21	YES
Thailand Country Programme Evaluation (2017-2021)	2020	Thailand CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2021	1/1/15	5/30/16	1. UNFPA strategic position and role (linked to Conclusion #: 1,2,4,6,7,8.)	1. Continue Advocacy & Coordination Role and maintain Strategic Partnership. Pitched at upstream level, UNPFA has focused on policy, advocacy, technical support and regional cooperation with interventions at downstream level as pilots to ensure that policies are translated to action at local level for replication and scale up. Continue joint programming with UN Agencies, for resource maximization, ownership, enhanced "one voice" and sustainability.	Accepted	High	1.2 Contribute to UNSDCF and UNCT	Ensure UNFPA's mandate areas are included in the new UNSDCF by advocating through the regular UNCT meetings to include UNFPA 3TRs especially GBV and Unmet Need for Family Planning , and as an active contributor in the UNSDCF background paper on Youth.	12/31/21	YES
Thailand Country Programme Evaluation (2017-2021)	2020	Thailand CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2021	1/1/15	5/30/16	1. UNFPA strategic position and role (linked to Conclusion #: 1,2,4,6,7,8.)	1. Continue Advocacy & Coordination Role and maintain Strategic Partnership. Pitched at upstream level, UNPFA has focused on policy, advocacy, technical support and regional cooperation with interventions at downstream level as pilots to ensure that policies are translated to action at local level for replication and scale up. Continue joint programming with UN Agencies, for resource maximization, ownership, enhanced "one voice" and sustainability.	Accepted	High	1.3 Collaborate with Government for ICPD and UNFPA transformative results	Continue providing technical support to the government (DOH) to maintain their commitment to ICPD .	12/31/21	YES
Thailand Country Programme Evaluation (2017-2021)	2020	Thailand CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2021	1/1/15	5/30/16	1. UNFPA strategic position and role (linked to Conclusion #: 1,2,4,6,7,8.)	1. Continue Advocacy & Coordination Role and maintain Strategic Partnership. Pitched at upstream level, UNPFA has focused on policy, advocacy, technical support and regional cooperation with interventions at downstream level as pilots to ensure that policies are translated to action at local level for replication and scale up. Continue joint programming with UN Agencies, for resource maximization, ownership, enhanced "one voice" and sustainability.	Accepted	High	1.4 Promote Partnership and resource mobilization	Identify, develop and maintain partnerships with strategic private partners in the new CP for resource mobilization and leveraging UNFPA position in Thailand.	12/31/22	YES
Thailand Country Programme Evaluation (2017-2021)	2020	Thailand CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2021	1/1/15	5/30/16	2. Human Resource (linked to Conclusion #: 2,9,10)	HR alignment to ensure UNFPA has adequate capacity to deliver results, to maintain high standards set thus far, and to maintain high visibility of the Agency: ensure adequate capacity to maintain its trust and credibility among key stakeholders including the UN agencies, UNFPA as a policy/technical catalyst/convener relevant to fulfil the needs of a "pink" country (upper middle income country)	Accepted	High	2.1 HR assessment	To conduct the assessment of human resource needs for the new programme and as a part of HR alignment exercise	12/31/22	YES

Thailand Country Programme Evaluation (2017-2021)	2020	Thailand CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2021	1/1/15	5/30/16	2. Human Resource (linked to Conclusion #: 2,9,10)	HR alignment to ensure UNFPA has adequate capacity to deliver results, to maintain high standards set thus far, and to maintain high visibility of the Agency: ensure adequate capacity to maintain its trust and credibility among key stakeholders including the UN agencies, UNFPA as a policy/technical catalyst/convener relevant to fulfil the needs of a "pink" country (upper middle income country)	Accepted	High	2.2 Resource Mobilization review	To review CP resource mobilization and communication strategies and identify opportunities for resource mobilization for the next five years.	12/31/22	YES
Thailand Country Programme Evaluation (2017-2021)	2020	Thailand CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2021	1/1/15	5/30/16	2. Human Resource (linked to Conclusion #: 2,9,10)	HR alignment to ensure UNFPA has adequate capacity to deliver results, to maintain high standards set thus far, and to maintain high visibility of the Agency: ensure adequate capacity to maintain its trust and credibility among key stakeholders including the UN agencies, UNFPA as a policy/technical catalyst/convener relevant to fulfil the needs of a "pink" country (upper middle income country)	Accepted	High	2.3 Hire a technical expert to fill an HR gap especially in GBV.	Recruitment of a technical expert for integrated SRH and GBV to assist with the implementation of the 11 th Country Programme in its last year and to develop of multi-year action plan(CPAP) for the new CP	12/31/21	YES
Thailand Country Programme Evaluation (2017-2021)	2020	Thailand CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2021	1/1/15	5/30/16	2. Human Resource (linked to Conclusion #: 2,9,10)	HR alignment to ensure UNFPA has adequate capacity to deliver results, to maintain high standards set thus far, and to maintain high visibility of the Agency: ensure adequate capacity to maintain its trust and credibility among key stakeholders including the UN agencies, UNFPA as a policy/technical catalyst/convener relevant to fulfil the needs of a "pink" country (upper middle income country)	Accepted	High	2.4 HR Alignment	Identify gaps in human resources and propose solutions in the Human Resources Alignment plan for the new CPD	12/31/21	YES
Thailand Country Programme Evaluation (2017-2021)	2020	Thailand CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2021	1/1/15	5/30/16	3. South-South Cooperation and Triangulation. (linked to Conclusion #: 6)	SSTC –assess the capacity for the continuation of SSTC during CP11 – develop and disseminate "Lessons Learned/Good Practices in SSTC" A longer- term review of the triangular cooperation initiative is needed to secure the outcomes and results and to promote further cooperation and support.	Partially Accepted	Medium	3.1 Documentation of SSTC Good practices	To include documentation of SSC and SSTC good practices as the catalyst for ICPD and UNFPA 3 transformative results as part of CP11 knowledge management interventions. Once the good practices are documented and published, it will be disseminated through different channels i.e. UNFPA social media platforms and through government networks.	12/31/21	YES
Thailand Country Programme Evaluation (2017-2021)	2020	Thailand CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2021	1/1/15	5/30/16	3. South-South Cooperation and Triangulation. (linked to Conclusion #: 6)	SSTC –assess the capacity for the continuation of SSTC during CP11 – develop and disseminate "Lessons Learned/Good Practices in SSTC" A longer- term review of the triangular cooperation initiative is needed to secure the outcomes and results and to promote further cooperation and support.	Partially Accepted	Medium	3.2 Mapping potential areas and countries for SSTC	To map needs and demands of other countries-potential partners for SSTC, identify new areas, resources and institutions that Thailand can offer,	12/31/22	YES

Thailand Country Programme Evaluation (2017-2021)	2020	Thailand CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2021	1/1/15	5/30/16	4. Gender –Based Violence (linked to Conclusion #: 10)	UNFPA's plan for advocacy to the government for ending GBV and supporting women who are vulnerable to GBV to be clearly defined and well resourced (both human and financial) for its and implementation. The goal of ending gender-based violence is the furthest from being achieved in Thailand and therefore necessarily a priority for achieving transformative goals. Responsibility: Country Office	Partially Accepted	Medium	4.1 Joint initiatives to address GBV	To conduct consultations with government and UNCT joint teams on Gender and advocate for the development of UNCT joint initiatives on GBV.	12/31/21	YES
Thailand Country Programme Evaluation (2017-2021)	2020	Thailand CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2021	1/1/15	5/30/16	4. Gender –Based Violence (linked to Conclusion #: 10)	UNFPA's plan for advocacy to the government for ending GBV and supporting women who are vulnerable to GBV to be clearly defined and well resourced (both human and financial) for its and implementation. The goal of ending gender-based violence is the furthest from being achieved in Thailand and therefore necessarily a priority for achieving transformative goals. Responsibility: Country Office	Partially Accepted	Medium	4.2 . Advocacy to address GBV service gaps during the COVID-19 pandemic	To advocate to the relevant government agencies to improve GBV services in the COVID-19 context, using recommendations and evidence on GBV service gaps generated by UNCT.	12/31/21	YES
Thailand Country Programme Evaluation (2017-2021)	2020	Thailand CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2021	1/1/15	5/30/16	4. Gender –Based Violence (linked to Conclusion #: 10)	UNFPA's plan for advocacy to the government for ending GBV and supporting women who are vulnerable to GBV to be clearly defined and well resourced (both human and financial) for its and implementation. The goal of ending gender-based violence is the furthest from being achieved in Thailand and therefore necessarily a priority for achieving transformative goals. Responsibility: Country Office	Partially Accepted	Medium	4.3 Strengthened GBV programming in new CP	The new CP will include GBV as a specific output and strengthen GBV programming taken into account resource mobilization opportunities	12/31/21	YES
Thailand Country Programme Evaluation (2017-2021)	2020	Thailand CO	Country Programme Evaluation (CPE)	AP	Evaluation Coverage Time Period	2017-2021	1/1/15	5/30/16	5. Youth Advocate on SRHR (linked to Conclusion #: 1,2,3)	CYCT as the youth-led policy advocacy platform should be well strengthened with evidence- based advocacy, communication skills and active mentorship. (Responsibility: Country Office	Accepted	Medium	5.1 Policy advocacy on role of Child and Youth Council Thailand (CYCT) as youth advocate on rights to SRH and other related rights.	The continuation of support to functions of CYCT as the SRHR youth advocate group to collect voices and demands and reflects those for policy recommendations.
