Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	1. UNSCF	Align the 8 th CP to the UN Sustainable Cooperation Framework (UNSCF) for Zimbabwe by adapting the "cooperation framework" principles, orientation and mechanisms	Accepted	High	1.1 Partnership with Government	1.1.1 Establish a mechanism that will strengthen UNFPA partnership with the Government in the design, implementation and monitoring of the CP and promote government leadership and ownership of the CP.	12/31/22	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	1. UNSCF	Align the 8 th CP to the UN Sustainable Cooperation Framework (UNSCF) for Zimbabwe by adapting the "cooperation framework" principles, orientation and mechanisms	Accepted	High	1.1 Partnership with Government	1.1.2 Use a mechanism that the UN in Zimbabwe will set up to coordinate the UNSDCF with the government. This option minimises having multiple UN-Government coordination structures but has potential for diminishing visibility and focus on the CP	12/31/22	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	1. UNSCF	Align the 8 th CP to the UN Sustainable Cooperation Framework (UNSCF) for Zimbabwe by adapting the "cooperation framework" principles, orientation and mechanisms	Accepted	High	1.2 Alignment to UNSCF	1.2.1 Conduct a comprehensive orientation of the CO on the change from "assistance" to "cooperation" (when the change is clearly articulated) and ensure "cooperation" principles and orientation or way of working is reflected in the CP programming processes.	12/31/22	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	2. CP Interventions	Improve geographical and vulnerable populations focus and beneficiaries' participation in Country Programme to maximise its impact	Accepted	High	2.1 Geographical coverage	2.1.1 Select priority provinces where the CP will be implemented rather than districts. The focus on provinces consolidates the CP geographical focus, allows the CP to scale up interventions (in districts within the province) to achieve greater results and makes it easier to measure the CP results.	12/31/22	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	2. CP Interventions	Improve geographical and vulnerable populations focus and beneficiaries' participation in Country Programme to maximise its impact	Accepted	High	2.2 Continuum of services	2.2.1 Ensure interventions providing a continuum of services – from demand generation to service provision are implemented in the same provinces and districts.	12/31/22	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	2. CP Interventions	Improve geographical and vulnerable populations focus and beneficiaries' participation in Country Programme to maximise its impact	Accepted	High	2.3 Implementing partner selection	2.3.1 Review Implementation Partners for the 8th CP to consider bringing on board government institutions that could strengthen the effectiveness of the CP.	12/31/21	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	2. CP Interventions	Improve geographical and vulnerable populations focus and beneficiaries' participation in Country Programme to maximise its impact	Accepted	High	2.4 Beneficiaries involvement	2.4.1 Establish a mechanism for involving beneficiaries in the programming – from design, implementation and monitoring.	12/31/22	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	2. CP Interventions	Improve geographical and vulnerable populations focus and beneficiaries' participation in Country Programme to maximise its impact	Accepted	High	2.4 Beneficiaries involvement	2.4.2 Train government partners (MOHCC, MoPSE and MPYDIE MoWACSMED among others) in participatory programming.	12/31/22	YES

Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	2. CP Interventions	Improve geographical and vulnerable populations focus and beneficiaries' participation in Country Programme to maximise its impact	Accepted	High	2.5 Client led monitoring	2.5.1 Develop & Pilot client led monitoring tools to involve adolescents and young people, key populations and other beneficiaries in monitoring selected CP interventions to ensure implementation approaches are responsible to their needs.	12/31/22	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	3. Strengthen capacity of service providers and health and community systems	3. Strengthen capacity of service providers and health and community systems	Accepted	High	3. Capacity strengthening of MOHCC	3.1 Build capacity of HCWs (based on existing guidelines) and strengthening monitoring of integrated service delivery. This should include support to MOHCC to establish SOPs on the provision of integrated services and data collection tools that track implementation of the SOPs, especially in the community	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	3. Strengthen capacity of service providers and health and community systems	3. Strengthen capacity of service providers and health and community systems	Accepted	High	3. Support implementation of National Health strategy	3.2 Support implementation of the National Community Health Strategy to align the current community level interventions with national priorities, interventions and aspirations (e.g., deeper engagement of CBHW on delivering comprehensive FP services in the community). Match the scope of integrated SRH/HIV/GBV demand generation that community cadres can undertake with their capability.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	4.1 Improve the CP annual work plan development process	4.1 Improve the CP annual work plan development process	Accepted	High	4.1 CP annual work plan process	4.1.1 To start the workplan planning process early and ensure signed workplans by end of year.	12/31/22	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	4.1 Improve the CP annual work plan development process	4.1 Improve the CP annual work plan development process	Accepted	High	4.1 CP annual work plan process	4.1.2. To conduct half yearly review of activities to address any weaknesses in the work plan	12/31/22	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	4.2 Strengthen UNFPA staff capacity	4.2 Strengthen UNFPA staff capacity	Accepted	High	4.2 UNFPA staff capacity	4.2.1 Review staffing especially for M&E and population dynamics programme area to match staffing levels with expected responsibilities.	12/31/22	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	4.3 Strategic partnerships	4.3 Strategic partnerships	Accepted	High	4.3 Strategic partnerships to increase programme efficiency	4.3.1 Develop strategic partnerships especially with organisations supporting community level gender and women rights, and youth economic empowerment programmes to establish linkage with the CP in order to improve efficiency and effectiveness.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	5. Domestic resource allocation to health	5. Domestic resource allocation to health	Accepted	High	5.1 Advocate for domestic resource allocation to health	5.1.1 In partnership with other development partners, advocate for the government to increase domestic resources allocated to Gender and health to sustain gains	12/31/23	YES

Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	6. Joint Implementation	6. Joint Implementation	Accepted	High	6.1 Improve information sharing and joint implementation of interventions with other UN agencies	6.1.1 Share information and involve other UN agencies (involved in joint programming) in the implementation of interventions to further strengthen synergies with other UN agencies	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	7. Humanitarian response and COVID 19	7. Humanitarian response and COVID 19	Accepted	High	7.1 Strengthen capacity of GOZ to integrate SRH and gender into humanitarian response and apply lessons learnt from	7.1.1 Support the GOZ (MOHCC) to develop guidelines and SOPs for integration of maternal health (or broader RMNCAH) and GBV into the national emergency response plan to ensure continuity of these services in cases of emergencies.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	7. Humanitarian response and COVID 19	7. Humanitarian response and COVID 19	Accepted	High	7.1 Strengthen capacity of GOZ to integrate SRH and gender into humanitarian response and apply lessons learnt from	7.1.2 Mainstream MISP within MOHCC and other relevant delivery systems.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	7. Humanitarian response and COVID 19	7. Humanitarian response and COVID 19	Accepted	High	7.1 Strengthen capacity of GOZ to integrate SRH and gender into humanitarian response and apply lessons learnt from	7.1.3. Build capacity of health facilities and GBV stakeholders in areas prone to floods and droughts to implement MISP and other guidelines and SOPs	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	7. Humanitarian response and COVID 19	7. Humanitarian response and COVID 19	Accepted	High	7.1 Strengthen capacity of GOZ to integrate SRH and gender into humanitarian response and apply lessons learnt from COVID 19	7.1.2 Integrate key lessons learnt from COVID into the CP implementation approaches such as use of virtual platforms for training and meetings, hotline and mobile SGBV service delivery and integration of infection prevention and control into service providers' capacity development.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	8. Programme focus- RH	8. Programme focus- RH	Accepted	High	8.1 Build capacity of HCWs	8.1.1 Train HCWs on LARCs in additional health facilities, including facilities witnessing loss of trained providers.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	8. Programme focus- RH	8. Programme focus- RH	Accepted	High	8.1 Build capacity of HCWs	8.1.2 Support MOHCC to certify qualifying HCWs	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	8. Programme focus- RH	8. Programme focus- RH	Accepted	High	8.1 Build capacity of HCWs	8.1.3 Introduce mentorship for HCWs on LARCs replicating mentorship programme for maternal health.	12/31/23	YES

Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	8. Programme focus- RH	8. Programme focus- RH	Accepted	High	8.1 Build capacity of HCWs	8.1.4 Develop a partnership between MoHCC, ZNFPC and NGOs providing FP services to utilise their capacity to mentor HCWs on LARCS	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	8. Programme focus- RH	8. Programme focus- RH	Accepted	High	8.2 Improving and scaling up sexual and reproductive health services	8.2.1 Expand the reach (access, availability and utilisation) of comprehensive FP services for vulnerable groups such as the youth, and people with disabilities. To explore strengthening of outreach programmes and to pilot use of Self Care models	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	8. Programme focus- RH	8. Programme focus- RH	Accepted	High	8.2 Improving and scaling up sexual and reproductive health services	8.2.2 Develop a partnership between MoHCC, ZNFPC and NGOs providing FP services to utilise their capacity to mentor HCWs on LARCS	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	8. Programme focus- RH	8. Programme focus- RH	Accepted	High	8.2 Improving and scaling up sexual and reproductive health services	8.2.3 Support MOHCC to develop a comprehensive approach to implementation of policy and legislative, systems, technical and operational maternal and perinatal deaths audit recommendations including strengthening inter-facility referrals to minimise the third delay and advocating for policy and legislative changes and government resource allocation for	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	8. Programme focus- RH	8. Programme focus- RH	Accepted	High	8.2 Improving and scaling up sexual and reproductive health services	8.2.4 Build the capacity of provincial hospitals to provide OF treatment	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	8. Programme focus- RH	8. Programme focus- RH	Accepted	High	8.2 Improving and scaling up sexual and reproductive health services	8.2.5 Establish additional VIAC clinics, providing new treatment technology to be used during VIAC outreaches to close the screening to treatment gap and integrating male involvement in the VIAC screening and treatment	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	8. Programme focus- RH	8. Programme focus- RH	Accepted	High	8.2 Improving and scaling up sexual and reproductive health services	8.2.6 Contribute to the development and implementation of the M&E system for the National Community Health Strategy including guidelines and data collection for the referral pathway between SRH, HIV and GBV demand generation at community level and service delivery points.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	9. Programme focus- ASRH	9. Programme focus- ASRH	Accepted	High	9.1 Improve ASRH health services	9.1.1 Support coordination of ASRH interventions at district level. At the national level, continually support the three-line ministries (MoHCC, MoPSE, MYSAR) and other stakeholders such as City of Harare to jointly plan and coordinate activities to ensure consistency and smooth implementation.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	9. Programme focus- ASRH	9. Programme focus- ASRH	Accepted	High	9.1 Improve ASRH health services	9.1.2 Implement the Youth Friendly Health Services using the approaches used in the current CP districts to more districts. Include a component of youth-led monitoring of the YFHS at health facilities.	12/31/22	YES

Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	9. Programme focus- ASRH	9. Programme focus- ASRH	Accepted	High	9.1 Improve ASRH health services	9.1.3 Develop systematic and sustained partnerships with UN sister agencies and other NGO and government led economic empowerment programmes. e.g. a linkage of community-based interventions (Sista2sista, PCC, CSE) to basic livelihood (income generation) and lifesaving skills to ensure that holistic implementation that addresses both the information and economic vulnerabilities that put young people at risk.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	9. Programme focus- ASRH	9. Programme focus- ASRH	Accepted	High	9.1 Improve ASRH health services	9.1.4 Develop IEC materials in vernacular languages in formats like print which reach the rural and furthest behind (YPLWDs) and furthest behind and eliminate language barriers. Explore how to develop resource materials for Facebook and Tune me platforms in local languages.	12/31/22	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	10. Programme focus- GBV	10. Programme focus- GBV	Accepted	High	10.1 Improve response to gender based violence	10.1.1 Train and deploy community level paralegals and social welfare cadres to support SGBV survivors to report to OSCs and prioritise supporting hospital based OSCs because the government is already providing healthcare support, police and judicial services to SGBV survivors and these services can be sustained with little external support.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	10. Programme focus- GBV	10. Programme focus- GBV	Accepted	High	10.1 Improve response to gender based violence	10.1.2 Build the capacity of the government's Legal aid directorate in GBV with the intention to link the hospital based OSCs to this directorate for free legal services to GBV survivors.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	10. Programme focus- GBV	10. Programme focus- GBV	Accepted	High	10.1 Improve response to gender based violence	10.1.3. Set realistic targets for OSCs and shelters taking into account the community dynamics, demand generation and awareness efforts and the extent of deployment of community cadres (especially paralegals) to support SGBV survivors to overcome stigma and fear and report cases.	12/31/22	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	10. Programme focus- GBV	10. Programme focus- GBV	Accepted	High	10.1 Improve response to gender based violence	10.1.4 Support MWACSMED to enhance its capacity as the leading body in the coordination mechanism including planning processes, M&E, accountability and a component for community level coordination.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	10. Programme focus- GBV	10. Programme focus- GBV	Accepted	High	10.1 Improve response to gender based violence	10.1.5 Strengthen male engagement and community leaders' awareness and participation in women rights protection and reporting of SGBV cases.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	10. Programme focus- GBV	10. Programme focus- GBV	Accepted	High	10.1 Improve response to gender based violence	10.1.6 Invest in infrastructure and capacity of stakeholders to collect, store, analyse and share data using the GBVIMS.	12/31/23	YES

Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	10. Programme focus- GBV	10. Programme focus- GBV	Accepted	High	10.1 Improve response to gender based violence	10.1.7 Support to GBVIE and Humanitarian response IASC, global and regional guidelines adaptation to the local multi-hazard context, and scale up capacity building plan for UNFPA, GoZ, IPs.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	10. Programme focus- GBV	10. Programme focus- GBV	Accepted	High	10.1 Improve response to gender based violence	10.1.8 Develop partnerships with other interventions focusing on women empowerment and agency, including women economic empowerment, engagement of men and boys, efforts to bridge the gap between law and practice and end the impunity of GBV need to be strengthened.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	11. Programme focus- P&D	11. Programme focus- P&D	Accepted	High	11.1 Improve population dynamics	11.1.1 Support MoFED to coordinate the integration of population issues in national and sectoral policies and plans.	12/31/25	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	11. Programme focus- P&D	11. Programme focus- P&D	Accepted	High	11.1 Improve population dynamics	11.1.2 Build the capacity of Parliamentarians and Parliament Committees on the interlinkages between population and development, for the Government of Zimbabwe to fulfil its ICPD POA commitments.	12/31/25	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	11. Programme focus- P&D	11. Programme focus- P&D	Accepted	High	11.1 Improve population dynamics	11.1.3 Build the capacity of ZIMSTAT on approaches to capture migration and vital registration statistics and bring on board Partners such as the International Organisations on Migration and the Ministry of Foreign affairs for migration statistics.	12/31/24	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	11. Programme focus- P&D	11. Programme focus- P&D	Accepted	High	11.1 Improve population dynamics	11.1.4 Support ZIMSTAT IT systems and infrastructure, re-tooling of the server, procure hardware and software, including Computer Consumables, accessories and supplies.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	11. Programme focus- P&D	11. Programme focus- P&D	Accepted	High	11.1 Improve population dynamics	11.1.5. Build the capacity of ZIMSTAT to carry out in-depth analysis of population data, develop policy briefs and dissemination of these products.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	11. Programme focus- P&D	11. Programme focus- P&D	Accepted	High	11.1 Improve population dynamics	11.1.6 Provide financial and technical support to the Department of Registrar General to improve its data quality from 2021 onwards by addressing gaps and errors already identified in the extraction of the 2015 data by ZIMSTAT and having a more robust method for the classification of cause of death.	12/31/22	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	11. Programme focus- P&D	11. Programme focus- P&D	Accepted	High	11.1 Improve population dynamics	11.1.7 Develop a systematic methodology to profile data users, their expectations, frequency of data use, level of data use, and accessibility of data from ZIMSTAT.	12/31/23	YES

Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	11. Programme focus- P&D	11. Programme focus- P&D	Accepted	High	11.1 Improve population dynamics	11.1.8 Engage non-traditional development partners to add to the traditional funders and mobilise for domestic resources from the private sector to fund population dynamics interventions.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	11. Programme focus- P&D	11. Programme focus- P&D	Accepted	High	11.1 Improve population dynamics	11.1.9 Establish a funded Research Component/Unit within the Centre for Population Studies to coordinate and facilitate in-depth analysis of population data and dissemination of policy briefs by MSc and PhD students as part of their programme requirements; and introduce short-term capacity development courses for staff from government ministries and institutions, other stakeholders on integration of population and development and how to utilise demographic data in their ministries and/or organisations.	12/31/23	YES
Zimbabwe Country Programme Evaluation (2016-2020)	2020	Zimbabwe CO	Country Programme Evaluation (CPE)	ESA	Evaluation Coverage Time Period -	2016-2020	1/1/15	5/30/16	12. Cross cutting issues	12. Cross cutting issues	Accepted	High	12.1 Cross cutting issues	12.1.1.
