

<b>Costed Evaluation Plan:</b> Philippines Country Office	
<b>Programme Cycle:</b>	9th Country Programme (2024-2028)
<b>Evidence utilized in the design of the costed plan:</b>	<p>As per the UNFPA Evaluation Policy 2019, this Costed Evaluation Plan (CEP) has taken into account existing evaluative evidence as follows:</p> <ul style="list-style-type: none"> <li>• The 8th Country Program evaluation for the period of 2019-2023 which was conducted by an independent evaluation expert team in accordance with the UNFPA Evaluation Policy 2019 and the UNFPA Evaluation Handbook 2019;</li> <li>• The evaluation of the Partnership Framework for Sustainable Development (PFSD)/ Socio-Economic and Peacebuilding Framework (SEPF) for the period of 2019-2023;</li> <li>• The recent global and thematic evaluations conducted by the Evaluation Office including “Evaluation of UNFPA support to the prevention, response to and elimination of gender based violence and harmful practices 2012-2017”, “Evaluation of UNFPA support to gender equality and women’s empowerment (2012-2020)”, and “Developmental Evaluation of Results-Based Management at UNFPA 2019”, “Evaluation of UNFPA Support to Population Dynamics and Data”, and “Formative Evaluation of UNFPA Support to Adolescents and Youth”;</li> <li>• Planned global and thematic evaluations, including Formative Evaluation of UNFPA support to LNOB (2025), Evaluation of UNFPA support to 2020 round of population and housing census data (2025), Evaluation of Innovation and digitalization at UNFPA (2027);</li> <li>• The Evaluation on the Joint Peacebuilding Project by UNFPA, IOM and UN Women which promotes social cohesion and supports the normalization process in the Bangsamoro Autonomous Region in Muslim Mindanao.</li> </ul>
<b>CP Areas:</b>	<p>The 9th Country Programme (2024-2028) will focus on accelerating progress towards achieving the “Three Transformative Results Plus”: (i) ending preventable maternal deaths; (ii) ending unmet need for family planning; (iii) ending gender-based violence and other harmful practices; and (iv) ending adolescent pregnancies.</p> <p>The 9th Country Programme will be implemented through the meaningful engagement of stakeholders at macro (policy-level duty-bearers), meso (institutional-level duty-bearers), and micro (community and individual-level rights-holders) levels. Geographically, it will operate at the national level and in selected regions and provinces, taking into account the country's decentralized administration. Regional prioritization is based on (a) status of SRHR indicators, (b) the demographic and economic quantifier of burden represented by the support ratio, and (c) vulnerability to natural hazards and conflicts. Sub-national interventions will be designed to provide evidence for replication and adoption by the Government and other partners.</p>

Evaluations						
Exercise Title and Type	Purpose of the Exercise	Start and End Date (Month and Year)	Estimated Cost	Source of Funding	Key Partners when Conducting the Exercise	Is it a Joint Exercise (with whom)?
Country Programme Evaluation of the 9th Country Programme for the Philippines (2024-2028)	To provide an independent assessment of the relevance, effectiveness, efficiency, sustainability, coordination, coverage and coherence of the country programme. The evaluation will identify achievements against objectives, best practices, challenges and lessons learned and provide recommendations for the next country programme design.	January to September 2027	120,000 USD	Regular resources	<p>A. Key government strategic partners</p> <ul style="list-style-type: none"> <li>• National Economic and Development Authority (NEDA)</li> <li>• Department of Health (DOH), Department of Social Welfare and Development (DSWD), Department of Education (DepEd), Commission on Population and Development (CPD), Commission on Human Rights (CHR), Philippine Commission on Women (PCW)</li> <li>• Selected Local Government Units</li> </ul> <p>B.
