

Costed Evaluation Plan: Senegal	
Programme Title:	UNFPA Senegal 9 th Country Programme
Programme Cycle:	2024 - 2028
Evidence utilized in the design of the costed evaluation plan	<p>The Cost Evaluation Plan of the 9th Country Programme is informed by a number of reviews and evaluations conducted during the 8th Country Programme period including:</p> <ul style="list-style-type: none"> • Evaluation of the 8th Country Programme conducted in 2022 to evaluate relevance, effectiveness, efficiency, and sustainability. The CPE provided several strategic and actionable recommendations that were helpful to shape the formulation of the 9th Country Programme as well as the costed evaluation plan. • Preliminary Findings and recommendations from the final evaluation of UNSDCF (2019 – 2023) in which UNFPA Senegal participated as Evaluation Manager and Reference Group member have informed the development of the UNSDCF (2024-2028) and the 9th Country Programme. • The 9th Country Programme and its costed evaluation plan have considered findings and recommendations of the recent global evaluations such as the Evaluation of UNFPA Support to Gender Equality and Women's Empowerment (2012 – 2020), the Joint evaluation of the UNFPA-UNICEF Joint Programme on the Elimination of Female Genital Mutilation: Accelerating Change Phase III (2018-2021), the Formative Evaluation of UNFPA Approach to South-South and Triangular Cooperation (SSTC, 2020), Developmental Evaluation of Results-Based Management in UNFPA (2019) and the Formative evaluation of the UNFPA engagement in the reform of the United Nations development system (2022). • As part of RBM within the organization, including RBM seal, Senegal Country Office will actively participate in the implementation of organization-wide initiatives to improve evaluation culture and practices. • As recommended by the Evaluation of UNFPA approach to SSTC, the Programme will consider SSTC as a key accelerator under population dynamics and further leverage SSTC towards advancing gender equality and youth engagement to accelerate UNFPA transformative results good practices to other countries and vice versa. It will also identify, establish and strengthen partnerships with government agencies and other partners including academia, CSOs, private sectors, and UN agencies to produce and share quality technical assistances. • The costed evaluation plan also considers the guidelines provided in the UNFPA Quadrennial Budgeted Evaluation Plan 2022-2025.
