17. *Notes with appreciation* that UNDP, UNFPA and the United Nations Children's Fund, as set out in the road map, will jointly review existing cost definitions and classifications of activities and associated costs, including those related to cost recovery, and in that regard emphasizes the need to explore cost recovery broadly, including both fixed and variable indirect costs;

18. *Also requests* UNDP to continue to assess and provide adequate funding and personnel for its critical oversight functions, including ethics, evaluation, and audit and investigations;
