Midterm review of the UNFPA Strategic Plan 2018-21
Content

1. Introduction
2. Scope
3. Methodology
4. Deliverable and timeline
Introduction

Key commitments in the UNFPA Strategic Plan 2018-2021 include:

- Working together with partners, including other UN agency, to support countries achieve the SDGs
- Organizing our work around three transformative and people-centered results
- Prioritizing leaving no one behind and reaching the furthest behind first
- Providing humanitarian and resilience support
- Providing tailored country support
- Strengthening organizational effectiveness and efficiency
### Progress made - Highlights

<table>
<thead>
<tr>
<th><strong>Aligned to strategic directions</strong></th>
<th><strong>Contributing to UN reform</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td>• All new Country Programmes committed to at least one transformative result.</td>
<td>• Deploying a comprehensive package on implementing UNSDCF and a new RC engagement strategy</td>
</tr>
<tr>
<td>• New strategies on Disability, Census, Gender rolled out</td>
<td>• Empowering our National Assistant Reps to become heads of Offices, where we have no international representation</td>
</tr>
<tr>
<td>• Strategy on Adolescent and Youth updated</td>
<td>• Launching a survey of our Country Offices to better understand field perspectives and needs</td>
</tr>
<tr>
<td>• UNFPA-specific guidelines on leaving no one behind under development</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th><strong>Humanitarian and resilience support</strong></th>
<th><strong>Ramping up Partnerships</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td>• Humanitarian Response Office upgraded and strengthened</td>
<td>• Rolling out the partnership strategy</td>
</tr>
<tr>
<td>• Humanitarian Response Office prioritizes preparedness and operational capacity</td>
<td>• Equipping countries with evidence and tools to advocate for the 3TRs – the Costing Initiative</td>
</tr>
</tbody>
</table>
Costs of achieving three transformative results (2020-2030)

End preventable maternal deaths
76 priority countries require $61 billion*

End unmet need for family planning
78 priority countries require $41 billion*

*Preliminarily estimates, July 2019
Costs of achieving three transformative results

Reduce child marriage rate by 50% by 2030,

31 high burden countries require $30 billion* 

End female genital mutilation (FGM) by 2030,

30 priority countries require $2.9 billion* 

*Preliminarily estimates, July 2019
Areas facing challenges include

- Leaving no one behind
- Ramping up partnerships
- Financing the three zeros
Scope

Assessing **progress made** in the first two years of SP implementation, including global and regional initiatives (GRIs) and common chapter.

Analyzing **accelerators, barriers, opportunities and risks** to the implementation of the Strategic Plan and achievement of its results.

Making **necessary adjustments** to the Strategic Plan and Integrated Budget (SP and IB) 2018-2021.

Identifying **potential key strategic and operational changes** to be considered for the SP and IB 2022-2025.
Methodology

Leverage existing internal and external knowledge products, innovative interventions, and ongoing processes and events.

- Desk review/analysis
- Jointly with UNDP, UNICEF, and UN Women
- Case studies
- Online survey
- Consultation with key stakeholders
