

**UNFPA update on the
implementation of
GA Resolution 72/279 on
UNDS repositioning**

Policy and Strategy Division
5 May 2020

UNDS reform implementation survey

- 112 country offices participated in the survey (87% response rate)

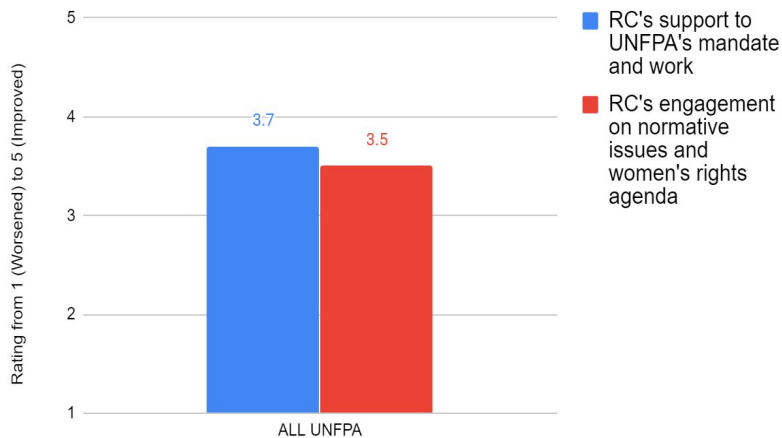

Thematic areas:

- Management and Accountability Framework
- Strategic engagement with RCs and UNCTs
- Common country programming and reporting (UNSDCF)
- Common business operations
- UN funding and 2030 Agenda financing

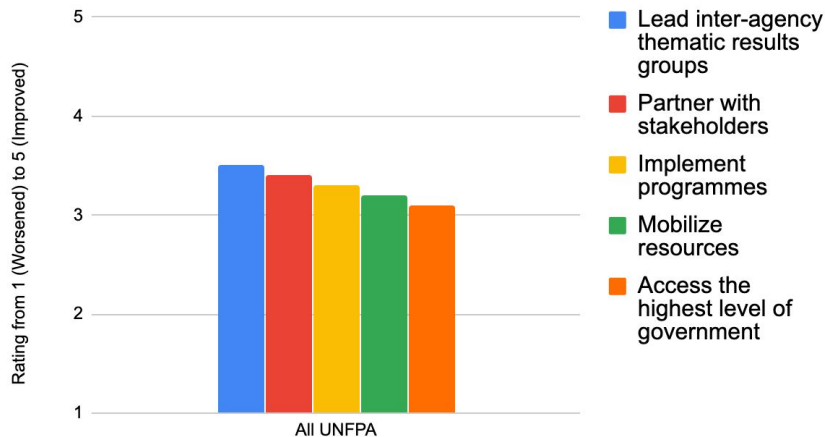

MAF and RC engagement

- **Increase** in RCs' engagement on normative and women's rights agenda

Post-MAF change in

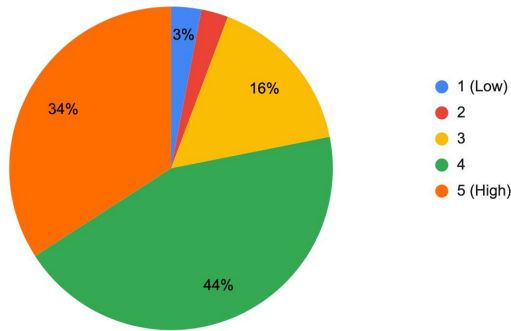

COs' strategic engagement with partners

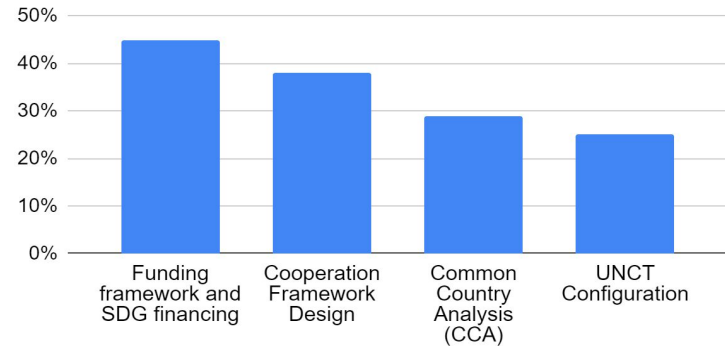

UN Cooperation Framework (UNSDCF)

- Increased coordination and co-lead role in UNCT results groups (**Youth, Data, M&E, and GBV**)
- Capacity and field support needs (**SDG financing, CF design**)

CO senior staff has clarity on the implications of the UNSDCF on UNFPA programmes.

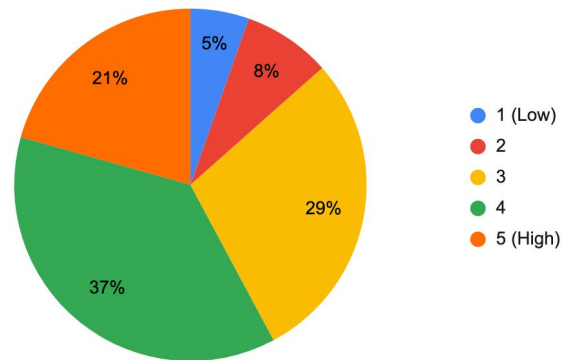

Indication of need for support in different UNSDCF development processes for COs developing CPDs in 2021/22

Joint Funding and Common Business Operations

- Strong engagement in UN pooled funding
- UNFPA benefits from **LTAs** signed by UN agencies and the Mutual Recognition approach
- Common premises at **70%**

UNFPA sufficiently equipped to engage in joint and pooled funding mechanisms in 2019

Carrying forward the UNDS reform

- Enhanced **RC engagement strategy** (Heads of Office reform, RC induction package, more RCs from UNFPA)
- Strengthened support to MCOs/SIDS (Staff and financial resources, thematic funds)
- **UNFPA leadership** in issue-based coalitions and regional collaborative platforms
- UNFPA Country Programme template and quality assurance **processes aligned with the UNSDCF**

Thank you!
