UNFPA would like to thank its funding partners for their support in 2021. Thanks to you, UNFPA was able to expand rights and choices for all and reached the most vulnerable women, girls and young people across the world. Together we made great strides towards zero unmet need for family planning, zero preventable maternal deaths, and zero gender-based violence and harmful practices.

The amounts represent contribution revenue for trust funds. They include multi-year co-financing agreements which were recognized in 2021, in accordance with UNFPA accounting policies. Programme implementation continues to be linked to actual receipt of resource.
